has been to visit these islands. Another feature of his character which should commend itself to every one, was his reverence for religion: while not himself professing to be a christian, he yet could see and honor those pure and noble precepts, which are at the foundation of all Dealer in Ship Chandlery, Hawaiian Protrue religion, and many a good man will miss in

him a warm and reliable friend. But there is one trait of character that above any other distinguished him, and that was his saeacity which he exhibited in many ways, but in none more strikingly than in the selection of his advisers. It was proverbial of him that dissolute and unprincipled persons could not sway him in his judgment of what was right and proper. The wisdom with which he steered his course in the midst of conflicting interests, and sometimes in the midst of conflicting counsellers, showed him to be possessed of a mind of no ordinary ability. The whose advice he most relied, were men of sterling integrity and worth, and it would be difficult to find a more respectable body of men than are those who were selected by him for his Ministers and advisers, all of whom show not only capacity for their positions, but an absolute honesty and uprightness of character that commends itself to one admiration and respect. But I beg pardon for the length of this communication, which I only intended as a brief tribute of respect and admiration for some of those noble traits of character which were so eminently exhibited in the life of his late

L. II. ANTHON. begation of the United States, Honolulu, Dec. 16, 1:54.

Bremen Consultate, Honolulu, Dec. 22, 1534.

Bremen Consultate, Honolulu, Dec. 22, 1534.

Sin:—Vour "open Circular of yesterday, announcing that, "His Royal Highness, Prince Labeliho, has ascended the throne under the sixter of Kamehameha III, at a quaster to I2 noon, at the Palace; Accept my congravulations on his accession to the Throne, under the sixter of the Hawaiian Islands."

It cannot without leave carry prisoners or booty into a neutral territory there to be detained, because such an act is an immediate continuation of hostility. In this decision bears directly on the Sixta case.—This decision bears directly on the Sixta case.—The carrying of prisoners into a neutral port is more than a proximate act of war, and must be commemorate as a glorious era the earliest convenience.

Accept my protound regard, while I have the honor to remain, within their highest prosperity, and his sown lasting fame.

Wishing to first Lieut decision of the United States, Honolulu, Dec. 22, 1534.
